Currently pursuing a Bachelor's in Interdisciplinary Studies with a minor in Environmental Health at East Tennessee State University, with a passion for sustainability, environmental education, and community well-being. Recognized for strong communication, leadership, and multitasking abilities, as well as a commitment to continuous learning and professional growth.

EXPERIENCE

Lululemon, Sevierville — *Educator*

May 2025

As an Educator at Lululemon, I deliver an exceptional guest experience by creating genuine connections and helping guests find products that support their lifestyle and fitness goals. I maintain strong product knowledge across all apparel lines to provide personalized recommendations and ensure a seamless in-store experience.

Sam's Club, Johnson City — *Product Demonstrator*

September 2024 - April 2025

My role at Sam's Club was a product demonstrator and Juicer. I was responsible for cooking, demonstrating, and submitting reviews for products assigned by the distributors.

Private Caretaker, Sevierville — *Guide*

February 2022 - July 2024

As a caretaker, I played many roles while ensuring the safety and well-being of the children in my care. My responsibilities included providing educational support through age-appropriate learning activities, assisting with early literacy and numeracy development, preparing balanced meals that supported healthy growth, and maintaining structured daily routines that promoted emotional and cognitive development. I also coordinated enrichment activities designed to encourage creativity, problem-solving, and social skills. In addition, I managed household tasks, maintained clear communication with parents regarding developmental progress, and remained prepared to respond to emergencies. Working closely with children required me to be intentional about the behaviors and values I modeled each day. This experience ultimately inspired me to return to higher education, as it reinforced the importance of knowledge, preparedness, and a strong educational foundation when supporting the growth and development of others.
